

THE MINISTER OF STATE OF THE DEPARTMENT OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) and (b) Yes, Sir. The decision to transfer the Vadodara unit to IOC and disinvestment through strategic sale of 25% equity for the rest of IPCL has been taken in view of synergies of this unit with the Gujarat Refinery of IOC, after inter-ministerial consultations between Department of Disinvestment, Ministry of Petroleum and Natural Gas and Department of Chemicals and Petrochemicals as well as with the Indian Oil Corporation. IOC can also participate in the strategic sale. Therefore, the Government has neither imposed an old unit of IPCL on IOC nor prevented it from participating in the process of disinvestment in IPCL.

(c) and (d) Government, after considering various options and all aspects, has decided to retain only 26% equity in IBP Co. Limited and to disinvest the balance 33.6% through international competitive bidding in which the domestic oil companies can also participate.
